

Lead, Motivate & Inspire-Leadership Skills

The best leaders have the ability to share their vision with passion and commitment, giving their people a purpose, a challenge they are willing to embrace and carry on achieving amazing results. Through a two-day, activity-driven training program, this course will equip you with the tools and knowledge to unleash your leadership potential, enabling you to identify and implement the key success factors that are essential to strong leadership. You will learn to unify, motivate, invigorate, and inspire your team to achieve remarkable results.

By the end of this training course participants will be able to:

- Describe the roles and responsibilities of a true leader.
- Clearly understand the difference between the role of a manager and the role of a leader.
- List the three main essential roles of a leader.
- Understand what motivates people and explain the "4motive" motivational model.
- Identify what employees want from a leader.
- Understand different perspectives and what defines a true leader.
- Find out their preferred leadership style
- Balance team, task and individual functions
- Identify what it takes to role model strong leadership.
- List the leadership critical success factors
